Subject: Thank You

Mark -

I wanted to thank you for your great work in West. You are truly the best of EPA, and I am very proud to be associated with pros like you.

Also, thank you for your incredible hospitality today. I remember what it was like having the "brass" come out to the field - and so I really appreciate your patience and understanding.

Please let me know if there is anything I can do to make your task easier.

All the best -

Larry
